# Consider These

*“If a thief helps a poor man out of the spoils of his thieving, we must not call that charity.”  
(Dante Alighieri, Italian Poet)*

*“When it comes to giving until it hurts, most people have a very low threshold of pain.”*

*“Seek joy in what you give not in what you get.”*

# Reflect

## Reflect . . .

If someone asked you how much money you would need to have financial freedom, what amount would you have said? Why would learning to look to God as your true provider be more valuable than lots of money in the bank?

## Prayer . . .

Heavenly Father, help us to learn your Word on finances and generosity and to trust you to guide us and provide for us all the days of our lives. Amen.

# Safety and Security

For the safety and security of everyone, your backpack or bag may be inspected. Thanks for your cooperation!

## Summer Medical Mission Trip for Jada Britt . . .

Would you help make it possible for Jada Britt, daughter of Quinton and Lori Britt, to raise \$3,800.00 to be part of an upcoming summer medically based

Mission Trip to East Africa?

Jada is a Junior at California Baptist University studying to becoming a Physician Assistant in either pediatrics or surgery. She will be serving in East Africa for three weeks working in hospitals and clinics and sharing the gospel. There will be eight individuals on her team and she is currently training and preparing to serve field workers in helping in whatever aspects of life they need. Her goal is more than volunteering, it is to spread God's love and fulfill the great commission through the service of healthcare.

Please pray for Jada and her team as they travel across the country on this journey. She is taking a step of faith this summer by going into another country for the very first time. Also, be praying for her as she shares the gospel and that God is able to work through her to reach those she meets.

Checks can be made out to FBC earmarked "Jada Britt."

## Music Solos at FBC on Sunday Morning and Evenings

Because we live-stream our Worship Services in real-time over the internet at FBC, we are not allowed to use of pre-recorded music. Most soloists and special music use pre-recorded music tracks and the internet censors this. The internet seeks to support music copyright laws on pre-recorded music.

Using published music requires following clear copyright guidelines. It is illegal to ignore these copyright laws.

We all enjoy solos from our people at our concerts and special music events and we do not live-stream our concerts over the internet. We also seek to follow copyright guidelines.

## Reserve Your Spot NOW and Experience the Holy Land in 2024

Join Pastor Roger and Dianna as they lead you on a ten-day trip of a lifetime to the Holy Land – **March 6-16, 2024.**

A trip to the Holy Land is a powerful journey that can ignite your Christian faith through seeing the places Jesus walked, worked miracles, died and rose from the dead. Here are just a few reasons why you should visit Jerusalem and the Holy Land:

- You will learn that the city where Christ sacrificed Himself on the cross is a real place.
- Visiting the Holy Land will give you a better sense of what is written in the Bible.
- To understand the disciples as fishers of men, you need to visit and take a boat ride on the Sea of Galilee.
- While on this trip you will connect with God and your faith in ways you can't at home.
- Did you know that the Dead Sea is the lowest place on Earth?
- While visiting the Western Wall you will have the opportunity to leave a prayer note tucked in the wall.

# God Stories - February 2023

1. Good friends of FBC have an estranged son that they have not heard from in quite a while. He was living out of state, but a couple of weeks ago he showed up at an AZ Motor Vehicle Department that just happened to have one of our FBC members working at. She was able to connect with him and relay back to his mom and dad that he is living back in AZ and physically ok. Praising God for providing them with reassurance!

2. He started coming to the 6:00 pm service during the summer. Looking to reconnect with God amidst debilitating depression coming from various other personal issues, he found what he was looking for - a willing ear to listen to his story. After telling his story to an FBC pastor that night, he started attending a morning service and Sunday school. As he became closer to God, he also felt even more attacks from the enemy. Through the various ministries of FBC as well as council from a Christian friend, he is now doing much better. The depression comes and goes but he now has a firm foundation in Jesus. For 2023, his goal is "to help people in the same way this church helped me."

3. He started attending the 6:00 pm service and was so thankful that FBC offered a night service that worked with his work schedule. When the school year came, he brought his son to attend Awana while he worshipped. During the fall God put it on his heart that he needed a career change - he felt he wasn't moving forward in life and becoming stagnant. It was scary. God was calling him to leave the only profession he had known and a place of employment that he had comfortably worked at for many years. What was even scarier was that God was calling him into a line of work that he knew nothing about and was blindly jumping into. With counsel from an FBC pastor, he decided to go in for an interview. In the interview he told the interviewer that he was a Christian and they said that they appreciated that. He got a call right away that they wanted him for the job. After leaving his old job and a week of training for the new job, he is enjoying himself immensely and thanks God for pushing him in this new, exciting direction.

4. Our FBC children collected \$600.00 to help send our Missionaries Ryan & Shelby Webb and family, back to Papua New Guinea, an island north of Australia.

5. Kid City has 48 dedicated leaders who are doing Kingdom work every Sunday.

6. This year my wife and I have been working with a single mom (young adult). She would come to church without a Bible. My wife gifted her one and since then she's been coming to church with that Bible and has read through Genesis. We have befriended her and our children have become close friends. We've also been of assistance in her struggles as a single mother. God has blessed us and her with friendship and we've been able to disciple her. FBC has also blessed her family - she told us she was able to provide for her children during Christmas.

7. This year the church plant has hosted and conducted a series of Bible studies and social gatherings (fellowship activities). Through these studies and gatherings, we have established multiple friendships and helped people in their walk with God. Even those who didn't know God are starting to seek Him. Two people were able to be baptized and others are diving deeper into the Bible. Throughout this experience of hosting and teaching the studies, my son has opened his heart and mind to the will and way of God and is wanting to do kids Bible studies. These Bible studies have become an impact on adults as well as children who attend, as both adults and children are wanting more Bible studies and or gatherings.

8. Back in August, a teenager, resident of the Town of Guadalupe, was gunned down. He was a student at Marcos de Niza High School. The friends and family of the teen had set-up a memorial near the site where the boy was killed. Trish and I felt the need to go to that memorial and offer prayer. Trish put material together, including Bibles to hand out. Myself and another went and spoke to a family and prayed over them. The family we spoke to knew the boy personally and were very grateful we were there. They were comforted in their moment of grief.

9. Earlier this year the church plant hosted an outdoor Easter service. Through this event at Kiwanis Park we were able to share our testimonies at the end of the service with a homeless person who ended up receiving Christ. We also met two families who we invited to our Bible studies. They showed up, and one family has remained with us. It was also great to see the volunteers who attend the church plant Bible studies engage in acts of service and sharing Christ with strangers at the Easter service.

10. During 2022 it has been such a huge blessing to see people give to the church plant. It is heartwarming to hear testimonies from donors of why they feel called to donate. Their feelings line up to why my wife and I said "Yes" to church planting in the first place. It is amazing to see people from

all walks of life coming together to give for the expansion of the Kingdom. Every gift is a miracle that only God can orchestrate.

11. The youth were previously on a waitlist for Summer Camp in Glorieta, New Mexico, but were recently able to fully lock in spots due to a policy change that allowed for more students. This is one of the premier camps in the southwest, and a favorite of our students!

12. We received a ton of positive feedback on the Christmas Eve services. People enjoyed the special food, the wide range of music from traditional to contemporary, the unique and fun preaching, the worship center décor, and the gifts for children.

13. We had a large number of volunteers dedicate hours and hours to band rehearsals, food preparation and service, cleanup, candles, tech, and many more positions to make Christmas Eve a success. FBC and visitors were blessed tremendously by their service to Jesus.

14. Our youth group has been excited about the possibility of doing more short-term mission work, and have been requesting to go on a trip soon. There are three potential trips in the works, which may start to come to fruition in 2023.

15. Can you see God at work? One person writes, "It was interesting to note that when I did the self-assessments within *The Dark Side of Leadership* that I have a dominant characteristic of being Codependent. I suspect that is not uncommon being an adult child of a violent alcoholic (and I was the scapegoat of the family). It was interesting when I recently read the book *Adult Children of Alcoholics* to find just how accurately it defined the relationships that merge in that environment. It's also been interesting for me to identify how the personality traits that have resulted my being successful are, in many ways, also my weaknesses. Looking back, the Lord blessed me by exposing me to His redemptive grace through the Youth Ministry and fellowship at FBCT. That's why I stated that FBCT is my happy place last Sunday. But it's more than the memories of FBCT, and more about spending time praying and contemplating the things of the Spirit. I think the two go hand-in-hand and when I neglect the Spiritual side of my life, I drift towards my own dark side."

16. Reverence for God leads to peace. People need the Lord. One person said, "It is strange that California has the most rigid gun laws in the nation .... yet they have many mass shootings and killings and this happens and happens and happens. Gun policy experts said that a national culture that accepts routine violence, combined with an inability to enforce gun

controls in one state that is surrounded by others where rules are more lax means that California will continue to grapple with public mass violence. Pray for California (and your neighborhood) as it ACCEPTS ROUTINE VIOLENCE-yes-that is a cultural problem-and if there were no guns in the USA these angry people would use knives, bombs, fire, flame throwers etc. So, the weapon isn't the problem-it is the lack of self-control and the glorification in movies and 'games' and 'video games' and the newspapers and reporters saying 'get angry-you should feel that it is the other's guy fault ALL the time ... get even ... it is THAT CULTURE that creates this problem."

17        Exciting to watch God bless. Two kids, missionary children, are raising money so they can return to FBCT in the next two months to spend a couple months with their youth group, friends and Grand-parents. Pray for Avery and Rylynn, children of Ryan and Shelby Webb who are full-time missionaries in Papua, New Guinee to the Manam people. The FBCT Teenagers are also raising money to help them return to FBCT soon.

18        We thank God for this FBCT teenager. Hello, my name is Grace Blum. I am going with Valley Christian to Turkana, Kenya. This is an amazing opportunity to serve God by ministering to Kenyan children. While at Valley I have been able to sing in the choir and I have been cheering on the school's cheer team for four years. This engage trip is an exciting opportunity to represent Christ, my school and minister to children in a place I have wanted to visit since I was young. I love serving other people in any way I can, so I am really looking forward to meeting and serving the people of Kenya. Thank you for considering to help me reach my goal of ministering in Kenya. You can support this ministry by donating and/ or praying for me as I prepare for this life-changing experience. Thank you for taking the time to read this and for your prayers and support.

19        God at work. On Friday, January 27-29, our 4<sup>th</sup> – 6<sup>th</sup> grade children pack-up and climb on a bus to head to Winter Camp to encounter God and have some fun. Pray for our 27 children, the leaders and the Children's Director. Sharmon Steil. Pray for safety and transformation to follow Jesus.

# “Understanding the End of Ezekiel”

February 19, 2023  
Pastor Anthony Whitlatch

## Understanding the End of Ezekiel

- Ezekiel 40-43:12 - Restoration of Temple area, Temple, Rooms for the priests and Glory of God returns
- Ezekiel 43:13-46:24 - Restoration of Proper Worship
- Ezekiel 47:1-48:29 - Restored Home (City) of the People of God Where God Provides
- Ezekiel 48:30-35 - Name of the City - The Lord is There

## Two Ways to Understand

1. Literal - \_\_\_\_\_ - Fulfilled during the 1000 year \_\_\_\_\_ reign of Jesus (Revelation 20)
  - a. Real future restored kingdom of \_\_\_\_\_  
NOT the \_\_\_\_\_
  - b. Possibly some symbolic meaning within the physical kingdom, but NOT at the expense of literal features
2. Symbolic \_\_\_\_\_ Interpretation - Real heavenly temple, established on earth in a non-structural way
  - a. Symbolic - apocalyptic literature takes on highly metaphorical meaning

- b. Prophecy cast in \_\_\_\_\_ terms - but describing \_\_\_\_\_ blessings and realities
- c. Jesus Christ is the true "Israel" - All eschatological promises to Israel are fulfilled through Jesus Christ and the people of God who follow Him, from Pentecost until the New Heaven and New Earth (grows out of the present)

How to Understand End-Times Prophecies (like a person seeing mountaintops from a distance)

- 1. \_\_\_\_\_ not dogmatically
- 2. Do the Best You Can - Don't be \_\_\_\_\_

Big Picture Connection

Ezekiel 1-3 -

Ezekiel 8-11 -

Ezekiel 40-48 -
