

First Baptist Church Tempe

EMERGENCY ACTION PLAN

We are concerned with both your safety and the safety of your children. In the event of an emergency, we have created a plan in order to ensure the safety, security, and care of everyone involved. If an emergency occurs, please follow the procedures outlined in this card or any further instruction given by our Safety Team and Church staff.

Our staff in Children's Ministries is trained to handle emergencies. Therefore, we ask that you do not attempt to retrieve your children from the Kid City area. Children will be evacuated from the building at the same time as adults, and you will be able to meet up with your children at designated areas.

SEVERE WEATHER

In the case of imminent danger, please proceed to the shelter areas designated below. The calmness and patience of parents will help our trained staff keep children calm. The designated safe locations for each building are as follows:

Building A: If in Bldg. A, stay in Bldg. A

Building B: If in Bldg. B, stay in Bldg. B

Building C: If in Bldg. C, stay in Bldg. C

Building D: If in Bldg. D, remain in the Gym

FIRE

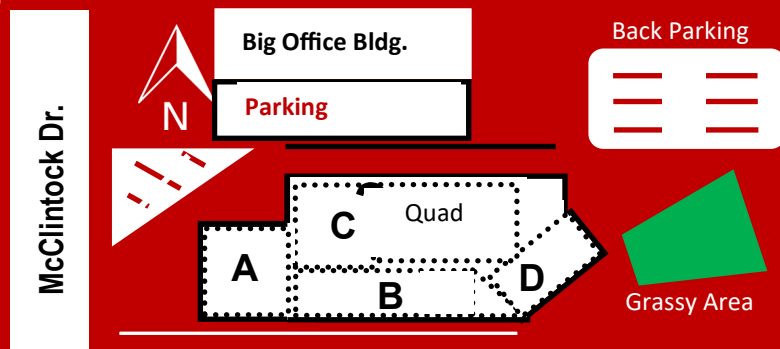

In the event that the fire alarm sounds, evacuate the building and proceed beyond the fire lanes to make room for arriving emergency personnel.

Worship Center/Main Lobby (Building A): Evacuate using the nearest fire exit and meet in the parking lot of the big office building to the north.

Kid City (Building B): Our staff will evacuate all children to the grassy area on the east side of the campus. Children in cribs and wheel chairs will be evacuated to the parking lot of the office building to the north.

Quad/Café/Office/Upstairs (Building C): Evacuate using the nearest fire exit and congregate in the back parking lot. Do not use elevator.

Gym (Building D): Evacuate using the nearest fire exit and congregate in the back parking lot.

HOSTILE INTRUDER

In the event of a hostile intruder, evacuate the building as quickly as possible. If unable to evacuate safely, try to hide. For resources on how to prepare for a hostile intruder situation, visit our website look for "Emergency"
